120 EUR

Signature : George Sand Portieux

Period : 19th century

Condition : Parfait état

Material : Glass

Width : 11 cm

Height : 22 cm

### Description

Very pretty glass decanter from the second half of the 19th century in turquoise blue and amber harmonies. This is a style developed by George Sand for Portieux for her personal use before being marketed by the manufacture with her benevolent authorization. Its handle is shaped in twists, the stopper is faceted and the decanter has wide ribs that provide a lively visual effect when the light gets involved! Shipping in France and abroad, contact me for details
