

## Antique Toy With A Mechanical Mechanism. A Cart With A Donkey And A Bisque Doll.

750 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Length : 26cm

Width : 15cm

Height : 30cm

### Description

When you pull the cart, the doll's head turns from side to side. The arm holding the stick should lift up, but it's stuck. The dress and toy are all original and in excellent condition.
