### Description

A pair of elegant Italian Murano glass wall sconces dating from the 1960s/1970s, characterized by a refined geometric design typical of the modernist style of the period. The wall sconces feature a cylindrical structure in polished black glass embellished with delicate vertical polychrome decorations that lend rhythm and depth to the surface, creating evocative plays of light when illuminated. The light-colored interior amplifies the light diffusion, making these lamps particularly decorative whether on or off. With a sophisticated and refined aesthetic, they perfectly embody mid-20th-century Italian design, evoking the Space Age style and the artistic Murano glasswork of the era. Ideal for modern, vintage, or contemporary spaces, they can be used in pairs in entryways, bedrooms,
