### Description

Two-part walnut sideboard with chamfered corners. Panels on the base and upper section doors replaced with glass; brass-plated sheet metal moldings; truncated pyramid-shaped legs. The upper section is not original; it has been paired with a Directoire-style base and features a fir wood interior. Italy, 19th Century. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. Should any details not be clear from the photos, the description takes precedence.
