Description

French scholastic globe drawn by J. Forest, Géographe and published by Girard, Barrère & Thomas, 17-19 rue de Buci, Paris. This globe features French-language cartography that is particularly representative of the interwar period, with many historical names that have now disappeared, such as Transjordan, Saudi Arabia, Persia and Ethiopia. Taken together, these indications make this globe very likely to date from 1933 to 1935.
