Description

Vintage LIP Electronic "TV" model watch in steel with matching bracelet. This iconic 1970s model features a "TV"-shaped case (square cushion with rounded corners) and a sober dial with baton hour markers. It is equipped with a date window at 3 o'clock and an electronic movement, characteristic of LIP productions of this era. French manufacture (mention "Made in France" on the dial), this watch represents a fine example of 1970s watchmaking design, sought after by collectors today. Original steel bracelet gives a homogeneous and elegant whole. The watch has not been tested, nor revised.
