Description

Elegant and loaded with symbolism, this 18-carat yellow gold necklace seduces with its finely crafted medal depicting two birds united around a heart, a symbol of love and harmony, as well as a tree of life evoking success, strength and personal fulfillment. The 30-millimeter-diameter circular medal reveals delicate relief and texture work, giving it a timeless, handcrafted character. It is accompanied by a 50-centimeter jaseron mesh chain in 18-carat yellow gold, offering elegant, comfortable everyday wear. The reverse of the medal can be engraved, enabling unique personalization: first name, date, initials or symbolic message. A refined, meaningful piece of jewelry, ideal for giving to celebrate a precious moment or mark an important milestone in life.
