

## Japanese Bronze Sculpture And Cast Iron Late 19th Century

3 800 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 40

Height : 76

Depth : 29

### Description

Beautiful bronze and cast-iron statue of a Japanese woman in traditional dress painting a vase. The feet, hands and head are in very finely sculpted bronze with a brown patina that contrasts with the painted cast-iron parts. Note that it has suffered a shock to the back. This work can be dated between 1880 and 1900 but is neither signed nor stamped. Information and further photos on request.
