Description

A fine four-door sideboard of Venetian origin, dating from the early 1800s. It is crafted from walnut, featuring a detailed design with chamfered edges. The panels are generously thick, and the proportions, enhanced by the interplay of the moldings, are in perfect balance. The impressive top, on the other hand, is made of cherry wood framed in walnut, a typical historical embellishment. Dimensions (cm): L 186, D 56, H 100.
