

2 Subjects In Regula With Gilded Patina 19th Century

120 EUR

Period : 19th century

Condition : Très bon état

Material : Gilt bronze

Width : 9,7 et 7 cm

Height : 20 et 15 cm

Description

Two gilded patina regule subjects, most likely elements of later pedestal clocks. A female figure leaning on a large sheaf of wheat and holding ears of corn in her raised apron. A blacksmith posing next to his anvil. Very good condition, beautiful patina. Shipping included for mainland France.
