Height : 4,13 mm environ

Description

This necklace in 750/°° white gold (18 KT, hallmark) features an elegant cravat-style construction, drawing a fluid, structured Y-line that naturally accompanies the décolleté. Its design consists of domes entirely paved with brilliant-cut diamonds, each motif revealing a precise setting composed of seven stones with a larger one in the center. Richly pavé, the diamonds together represent an estimated 7.20 carats. The brilliance of each diamond combined with the others in pavé lends the necklace a lively brilliance and finesse. These pavé domes are succeeded by gold pastilles that visually extend the domes and, smaller in size, allow for comfortable wear, punctuating the necklace's perimeter all the way to the clasp formed by a lobster clasp. Such is the flexibility of this
