Description

Giuseppe Varotti (1715-1780)The Supper at EmmausOil on canvas, 46.5 x 31.3 cm (with frame 57,5 x 43 cm). In its original period frame. The painting is part of a series that includes at least one other work available in our exhibition, also depicting the life of Jesus. This is a work in which Varotti demonstrates his skill in conceiving monochrome sketches, even though in this case he uses color, which serves to give strength to the drawing and make the subject more appealing to a patron who, in all likelihood, did not intend to reproduce the artist's work on a large scale.We invite you to download the free PDF of our catalog available on the Galleria de' Fusari website.
