

Carved Walnut Armchair - 17th Century, Lombardy

1 500 EUR

Period : 17th century

Condition : Très bon état

Material : Walnut

Width : 64

Height : 116

Depth : 70

Description

17th-century carved walnut armchair, Lombardy. This armchair features a high backrest and a spindle-back frame, with the legs and crossbars arranged in an "H" shape. The form is rigid and monumental, typical of the Louis XIV period. The armrests are carved with floral motifs and end in scrolls. The upholstery is an 18th-century fabric with plant motifs. Dimensions: height 116 cm, width 64 cm, depth 70 cm
