### Description

Quite substantial but lightweight, this bamboo and rattan mirror by Franco Albini has all the charm of those Riviéra-style objects from the 50's and 60's. Note the elaborate workmanship of the rattan interlacing and the tight finish around the mirror. The original mirror has a few spots of ageing which, in my opinion, add to its charm! It is in perfect condition. Franco Albini was an Italian architect, 1905-1977, attached to his country's Rationalist movement. We'll remember Albini's famous Margherita chair from 1950.
