

2-door Low Sideboard

450 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Painted wood

Width : 60

Height : 70

Depth : 45

Description

Nice little low sideboard with 2 curved doors on the front and curved sides. Beautiful patina with traces of paint. Worm-eaten on the back (see photo) . Feet probably shortened ? The top probably in marble is missing . In its discovery juice , plan a restoration .
