

## Pill Box - Box - Silver Case

450 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Diameter : 4 cm en moyenne

### Description

Set of five pillboxes in 800 and 925/000 silver, the hallmarks differ according to their country of origin. Their decorations are in repoussé silver, and some have hinged lids. The two shown in the main photo are French, boar's head hallmarked. One is Italian, another from Asia. A few minor traces of use, but no serious damage. Nap. III to early 20th century. Total weight: 72 gr. The price indicated is for the lot of five pieces.
