

## Antique 19th-century Bed Warmer Made Of Embossed Copper

130 EUR

Period : 19th century

Condition : Etat d'usage

Material : Copper

Diameter : 16

Height : 26 max

### Description

Handcrafted copper pot, hammered and finely embossed on the body; brass handle; perforated lid. Italy, late 19th century. Several old tin repairs are visible, made to reinforce areas weakened by use and the appearance of small holes. Oxidation and patina consistent with its age. We can, however, describe it as being in good overall condition.
