

Rosary In Silver Vermeil And Heliotrope Beads, 19th Century

280 EUR

Period : 19th century

Condition : Parfait état

Material : Sterling silver

Length : 52 cm

Description

In silver filigree and vermeil, here's a lovely 19th-century rosary made with heliotrope beads, a very dark green chalcedony mineral with iron silicate inclusions that give little red dots scattered here and there. These beads are punctuated by other silver filigree beads and a vermeil heart of Mary. Shipping in France and internationally, contact me for details
