**Description**

Large nude study. Very fine format, 95 cm x 70 cm. The canvas is in perfect condition. It is signed and countersigned on the back. Maurice Rouchy is a well-referenced artist of the Belgian school. He painted landscapes, seascapes, nudes, portraits and still lifes. The Musée de Reims conserves some of his works. This magnificent nude from the back, distinguished by a soft light, subtly reveals the body's modeling. The dimensions make this canvas a highly decorative work.
