

Set Of Three 18th Century Bronze Candlesticks

220 EUR

Period : 18th century

Condition : Très bon état

Material : Bronze

Width : 11 cm environ

Height : 20 cm environ

Description

With their square bases with cut angles, here is a beautiful set of three profiled table candlesticks from the 18th century. The cups are integral with the columns and feature holes on the sides which allowed the wax to drain. Shipping in France and internationally, contact me for terms .
