580 EUR

Period : 19th century

Condition : Bon état

Material : Wool

Length : 107 cm

Width : 53 cm

Description

The first thing that catches the eye is the freshness of the hues and the infinite precision in the execution of the motifs. The latter seem literally sculpted in the material. These are two large panels of Maffrash Karabagh from Armenia in the Caucasus. Sumak wool-on-wool technique. Exclusively vegetable hues, very beautiful luminosity and depth. Some signs of wear but the essentials are there, preserved and sparkling with freshness.
