

## Louis XV Table, 18th Century

350 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Length : 72,5cm

Width : 53,5cm

Height : 66,5cm

### Description

Oak table with a front drawer resting on four curved legs. The waistband is scalloped and the ornamentation is in gilded and chased bronze. This is a highly original piece of "rustic" work, somewhere between a table and a single-drawer chest of drawers! The piece is fully pegged. France 18th century.
