

Pyrogen White Metal Pocket Matchbox Engraved With A Boy In Pierrot Costume

140 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Width : 4.2 cm

Height : 6 cm

Description

In a somewhat theatrical pose, here's a little boy standing on a stool chiseled from chromed metal and then polished to reveal the metal's color with light golden highlights. This pocket pyrogen dates from the early 20th century.
