Description

a fine terrestrial globe by Lebègue & Cie Bruxelles Very nice model with a stunning base in cast iron with the presence of 3 heads and ending with lion claws A very beautiful globe in superb condition. No pocks and with beautiful topacos colors The globe was certainly placed in a library or smoking room. Some traces of wear but very minimal. It is rare to find a 19th century globe in such good condition. The presence of the Cape Colony on the globe indicates that it is from the 19th century Delivery in Belgium, France and internationally. Visible in our 2500m2 showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information & photos on request.
