### Description

Heuer split-seconds pocket chronograph, Ref. 572, in stainless steel and painted steel, equipped with the Valjoux 57 manual-winding caliber, seconds addition functions (30 seconds to 1/10th) and a 30-minute totalizer. This is one of the first split-seconds chronometers produced by Heuer, designed to time two separate runners. The external timer is graduated in 30-second intervals (totaling 60 seconds on the second interval). Dimensions: 57 mm x 18 mm (including glass). The movement and case are signed (Heuer-Leonidas) and numbered. NOS (New Old Stock) copy delivered with its original case. Overhauled in our workshop, guaranteed for 2 years.
