

Small Rabbit - Vienna Bronze, Late 19th Century

550 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 4 cm environ

Height : 3,2 cm environ

Description

Adorable small bronze from Vienna depicting a delicately cold-painted rabbit on the prowl. The sculpture captivates with the precision of its coat, the vivacity of its gaze and its posture. The piece is marked " Geschützt " and bears a numbering under the belly. Austrian workmanship, late 19th century. Excellent overall condition, with very slight patina wear and discrete verdigris visible on one leg, testifying to its age.
