300 EUR

Period : 20th century

Condition : Très bon état

Description

A set of seven small miniature porcelain boxes, mainly from Limoges, dating from the first half of the 20th century. This set brings together various decorative models in a range of shapes: stamp boxes, pill boxes, ring boxes, and small miniature candy boxes adorned with floral designs, gilding, and motifs inspired by classical French decorative arts. Several pieces bear the inscription "Limoges France" on the reverse. Some feature hand-painted decoration enhanced with gilding. The brass mounts highlight the refined character of this set, evoking the collectibles and decorative display cases of the early 20th century. A beautiful, cohesive set despite the diversity of the designs, ideal for a collection, romantic decor, or a feminine cabinet of curiosities. Condition: Good overall condition.
