

19th Century Chinese Lamp In Polychrome Porcelain Golden Bronze

850 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

Elegant XIXth period lamp composed of a Chinese vase in polychrome porcelain characters and animated landscape in richly decorated reserves. The porcelain rests on a large, finely chased gilt bronze frame decorated with friezes, mascarons and foliage, providing a beautiful decorative effect and presence. Fine work exoticism of the Far East with the French taste for gilded bronze objects mounted in gilded bronze, much appreciated in 19th-century interiors. Beautifully decorated in bright, harmonious colors. Lampshade shown for decorative purposes only. Electricity in working order. Dimensions: Total height: 59 cm high with shade / 46 cm to socket sold without shade. Beautiful decorative object, ideal for a classic, Napoleon III or eclectic interior.
