

Antique Painting On Copper, San Giovannino, 17th Century

400 EUR

Period : 17th century

Condition : Très bon état

Material : Oil painting on copper

Description

Painting on copper depicting Saint Giovannino, late 17th-early 18th century, Italian school---, dimensions: 17 cm × 13.5 cm This painting depicts the Infant Saint John the Baptist, often identified as a work of the 17th-century Italian school. The religious subject depicts the infant Saint John the Baptist, depicted in a natural landscape with a lamb, the symbol of Christ. Similar works were created using oil on copper and date back to the late 17th and early 18th centuries. The scroll, often present in the painting, bears the inscription "Ecce Agnus Dei."
