### Description

Oil painting on canvas. Italian school of the 17th century. The large composition presents a variety of foods on a kitchen table: on the left a large wicker basket full of vegetables, surmounted by a group of hanging fish; other vegetables are placed on the table top, next to a plate of cherries, one with a loaf of bread, and further back another with prawns; on the right stands a vase full of colorful flowers and, sitting on the shelf of a cupboard, a black cat calmly licking its paw. The sharpness of the colors stands out, enhanced by the reflections of light on some foods, such as cherries or prawns, and on the copper jug in front of the flowers. The painting, restored and relined, is presented in a strip frame. Product in good condition, has small signs of wear. We try to present the real state as fully as possible with
