### Description

Persian Ghoul carpet in silk on silk | Floral decoration  
This Persian Ghoul carpet in silk on silk seduces with its refined elegance and the great finesse of its weaving. Its richly detailed floral decoration is organized around an elongated central medallion, framed by a harmonious composition of delicate scrolls, florets and arabesques. The subtle palette of cream, deep black, powder pink, sky blue and pastel touches gives it a presence that is both luminous and sophisticated. Thanks to its construction in silk on silk, the rug offers a delicate sheen, a precious touch and an extremely clear reading of the motifs. A decorative piece of great distinction, this Ghoul rug easily finds its place in an elegant interior, a refined office or a collection of fine Oriental rugs. Features- Origin:
