### Description

COD 11578 A pair of mid-20th-century Italian wall lights. Louis XVI-style furniture in wood, glass, and iron, carved, lacquered, and gilded, beautifully sized and beautifully decorated. These wall lights feature metal arms supporting two lights, electrified for mains operation. The electrical circuit requires a thorough inspection before installing them in your home. Large, impactful items, ideal for antique dealers and interior decorators, but hard to find. Wall sconces attach to the wall with a special hook, ideal for a living room or sitting room. Structurally sound and with a beautiful patina, in good condition. As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation.
