Description

Madonna and Child Bologna, 18th century Oil on wood
Dimensions: Panel 20 cm, frame 42 cm x H. 52 cm
Excellent condition
A small 18th-century Bolognese sketch, executed spontaneously yet with great effectiveness. It is a gem of rare beauty and depicts a very sweet image of the Virgin and Child. An old inscription links it to the works of Carlo Cignani (Bologna 1628 - Forlì 1719) It is painted on a round wooden panel, set in a magnificent contemporary Bolognese frame, richly carved and gilded. The work as a whole is truly remarkable and makes a striking impression on the wall. It is in excellent condition (restoration was limited to the restoration of the gilding and minor missing parts of the frame) We issue a stamped and signed certificate of authenticity guaranteeing the period, provenance,
