

French Mid-century Tubogas 18k Gold Flexible Necklace Circa 1950

8 400 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

Flexible tubogas necklace in 18 karat gold. This necklace is made of a flexible and supple "tubogas" mesh, mounted on a spring, which allows the mesh to perfectly hug the décolletage. The piece closes with a box-clasp hidden in the necklace and protected by a safety-eight catch. The necklace has a beautiful patina. Tubogas necklace, Retro period, circa 1950, France. Eagle head hallmark and goldsmith's mark Société O et fils Length: 42 cm - Width: 8 mm - Thickness: 4 mm Condition: slight scratches from use Weight: 52.86 gr
