Description

- Oil on canvas. Lined canvas. - This magnificent canvas, created in Friar Juan Bautista Maíno's inner circle, is an ambitious, life-size version of the famous composition the master created for the San Pedro Mártir convent in Toledo. Measuring 115 x 154 cm, the work deploys all the scenographic power of the Baroque court, preserving intact the luminous freshness and descriptive rigor that characterize the style of Philip IV's court painter. The work captures, on an imposing scale, the miraculous moment when the Virgin Mary, surrounded by St. Mary Magdalene and St. Catherine, presents the friar of Soriano with the true portrait of St. Dominic. In this format, the composition becomes a demonstration of technical virtuosity. - 154 x 115 cm / 170 x 130.5 including frame
