### Description

Large miniature of a military trophy with antique-style helmet and laurel wreath, bronze with brown patina on a background simulating light gray granite. Presented in a rectangular blackened wood frame with oval view. Antique paper on the back. Beautiful, refined object typical of souvenirs of the Grand Tour aristocratic educational journey across Europe made by young men of the highest classes of European society from the 17th to the 19th centuries. Ideal for complementing a 19th-century neoclassical décor with one of those little details that create an authentic atmosphere. Our piece stands out from common pieces by the quality of the chasing but above all the very large dimensions of the set, like a small painting that is 4 times larger than a standard miniature.
