Cloutier" characteristic of their production. They exhibited at the Salon des Ateliers d'Art de France in 1963. They collaborate as decorators with industrialists such as Haviland in Limoges. Their research led them to work on architecture and interior decoration, innovating with claustrophobic walls. In 1972, they moved to Vinneuf (Yonne), then to Marsillargues in Languedoc in 1977. The Cloutier brothers contributed to the revival of French ceramics in the 50s, creating a dreamlike world of their own. Bibliography "Les frères Cloutier" by Patrick Favardin, Norma Editions..
