Description

Conti : "Horses I", ink and watercolor drawing over pencil lines on tracing paper tracing paper 28 X 22 cm approx., pasted on strong paper 30 X 23 cm. Fold mark to right, small holes and irregular collage. Signed and dated 46. I'm not sure how to read the signature, whose author I haven't identified, but the power of this drawing is reminiscent of those of his contemporaries André Masson and Giorgio de Chirico, reveals an expressionist beauty. See also the other drawing "Horses II". Don't hesitate to ask us for photos or further information by e-mail or telephone. Other photos and many other items in our Pau store and on our Proantic website.
