Description

An elegant early 20th-century gentleman's wardrobe by Innovation Ingenuities Ltd. retaining its original plaques and interior fittings. The original label mentioning London, Paris and New York is still present inside, testifying to the manufacturer's international prestige. Richly grained mahogany finish, elegant proportions and exceptional interior finishes. The interior offers a wealth of original storage, including: 10 built-in drawers, a sliding wardrobe, a sliding hat rack, multiple storage compartments, original Innovation mechanism and labels. This practical yet decorative English gentleman's wardrobe stands out for its beautiful warm color and refined design. Its compact dimensions, combined with a meticulous interior design, make it a rare and sought-after piece, ideal for both classic and
