### Description

Sculpted from one of the most valuable, most beautiful and rarest of ancient Roman stones. Exquisitely beautiful colour & figuration. Incredibly Rare & Important Pair 19th Century Roman Giallo Antico Marble Pedestal Columns. These magnificent Giallo Antico marble columns embody the quiet grandeur of imperial Rome. Their rich saffron golden tones, laced with ivory and rose veining, glow with a warmth once reserved for emperors, palaces and the most cultivated aristocratic interiors. Elegant in proportion and commanding in presence, they rely not on ornament but on the extraordinary nobility of the
