### Description

A rare and exceptional Napoleon III engraved glass aquarium jar on a gilded bronze tripod base with dragons heads; this highly elegant "curiosity" is a decorative and unusual piece from the mid-19th century. Ornamental and engraved with an aquatic lacustrine landscape animated by pretty herons with neat features of a beautiful notch; this piece of importance and balanced playing with the light is beautiful jar as a support argued of heads of crowned dragons spread wings, with this tripod base moved, openwork ended by balls in a structure with stylish complication. A beautiful and inspired decorative effect in the assumed romantic taste.
