Description

Antique Piedmontese cabinet from the late 18th century, crafted from poplar and walnut. A piece of great charm with particularly rare proportions, characterized by its compact size, which makes it easy to place even in small spaces. Inside, it retains its original period shelves, a testament to its authenticity and the meticulous craftsmanship typical of 18th-century Piedmontese manufacturing. The warm patina of the wood and its simple, elegant lines highlight its antique and timeless character. It is in excellent overall condition but requires restoration for preservation purposes. A refined and uncommon piece, ideal both as a piece of furniture and for collectors of authentic antique furniture. DIMENSIONS: Maximum height 181 cm - Width 115 cm - Depth 47 cm. - CONTACT
