

Set Of 5 Plates Auxerroises Late 18th Century

280 EUR

Signature : Claude Boutet

Period : 18th century

Condition : Bon état

Material : Earthenware

Diameter : 20.5

Description

Rare set of 5 plates from the Capucins faïence factory in Auxerre, made precisely between 1798 and 1809 under the direction of Claude Boutet, painter and founder of the factory. (Information taken from the book "La Faïence en Bourgogne Auxerroise", page 161.) We note that they are in very good condition, except for the female figure which is glued back. (see photos) Shipment in France by colissimo with insurance on quotation.
