

Oriental Figure. Carved And Patinated Ironwood

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Gilted wood

Height : 22 cm

Description

It could be a representation of a wandering monk or a sage. The serene facial expression, pronounced beard and what appears to be the representation of a sword in the back are carved from ironwood, a particularly hard tropical wood. The figure is depicted in a contemplative attitude, a symbol of wisdom, introspection and humility. Late 19th - early 20th century, probably during the Meiji Restoration period .
