Description

Sleek French console in oxblood-colored glass and brass, 1970s This piece features a rich dark red color and striking brass frame. The top has a stepped profile that enhances the console's architecture. The base is edged with a brass profile, and the bottom features a projecting rim. These glass panels have a slight bevel and are assembled with precision. The back is covered with a brass plate. The clean, austere lines of 1970s France are clearly reflected in this piece.
