Description

Lovely little mirrors in an airy, free-form design. The wooden core is stuccoed and beautifully gilded. Beautiful movement, almost vegetal, nice quality. Genuine mercury mirrors, cardboard backs probably changed, small hook for wall hanging. Condition level: they've lived, but may still have a few nice years left, several chips and cracks, which take nothing away from their cachet, one missing on the upper part of a scroll. Everything is well mentioned on my detailed photos, please look at them carefully..I'm not hiding anything! European working, probably French, dating from the late 18th century, Circa 1780.Dimensions: 31cm H x 18.5cmSHIPPING CONDITIONS BELOW FREE shipping to France, European Shipping and payment only, please send me a message...
