### Description

? Pair of rustic brutalist stools in solid wood  
???? Authentic pair of small antique stools in raw wood, with a deeply rustic, sculptural charm. Completely handcrafted, they seduce with their simple lines, compass legs and thick tops carved from solid wood.???? Each piece features a unique grain, natural irregularities, knots, cracks and the remains of ancient woodborers, all of which bear witness to their lives and reinforce their authentic character. The wood has been carefully treated to preserve the material while retaining their raw, natural appearance.? Their aesthetic evokes brutalist, wabi-sabi creations or even antique peasant furniture. They're perfect for country chic, family homes, chalets, Mediterranean interiors or organic minimalist settings.???? For use as occasional stools, fifth
