### Description

Linen sheet (circa 1900), uninitialized and embroidered with a ravishingly romantic floral design, animated by flowery sprigs tied with a ribbon, and pulled-thread rivers of days. A fine quality of workmanship and material, whose fluidity and fall make this sheet particularly pleasant to the touch. Unmarked, it can be used as a curtain, door curtain or simply embroidered with the number of your choice. Antique linen in excellent condition, with the exception of a slight mark close to a side selvage and located in the center of the piece. Barely off-white linen, washed and ironed. ?
