Description

Pair of physionotrace by Chrétien They are young and beautiful presented in two frames in pair, in beautiful condition redorged with gold paste. The ensemble is charming and the costumes directoire. When framed, we can read the classic text "dessiné par Fouquet gravé par Chretien inventeur du Physionotrace Passage St Honoré à Paris". The incompetence of successive owners has partly torn away the carefully written text on the young woman's back, but we can still decipher her name Madme Augustine Moch.....femme du Baron Enj.... à St Léger.
