

Bronze De Vienne: 5 Hens On A Trough

380 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

19th century polychrome bronze from Vienna. On a large circular trough, 5 hens have gathered, 4 are perched on the edge and the fifth is on its own, lying at the bottom of the container, perhaps brooding. They are all painted in polychrome, rather well preserved. D trough: 11cm, H: 3.3cm. Hens' length: 2.5 to 3cm. This rare model is in good condition.
